**Relaxation/Meditation:** Put the music on turn the lights out and relax to the music: <https://www.youtube.com/watch?v=5HrkXT5Bc9E>

**Home Learning idea: Watch:** <https://www.youtube.com/watch?v=8eSxrPzoZY0> - Magic Train Ride. Watch the clip together and answer the questions: If you were on the magic train where would you go? Why? What would you see?

**Home Learning idea:** Use the picture of the train that will be uploaded to our home learning area. Your child can colour the train and together you can write where it is going. E.g beach, shops.
